Customer Letter – MIMS Plus with PowerEdge 2900

Dear Hologic Customer,

As a valued Hologic customer, you have our commitment to provide you with the highest quality customer service, product support and technologically advanced products. We pride ourselves in being the leading manufacturer of Women's Health products, a goal that could not be achieved without customers like you.

Our records indicate that your facility has purchased a MIMS-PLUS system with PowerEdge 2900 computer. Hologic was recently notified that the expansion unit for this system is going end of life in the summer of 2011. In order to accommodate the needs of our customers, Hologic will place a last time buy order to our supplier. If your site requires additional data storage capacity, please contact your Hologic Account Manager by April 1 2011 for purchasing information on a PowerEdge 2900 expansion unit. For assistance determining the current storage capacity and future storage capacity needs on a MIMS system with a PowerEdge 2900 please call Customer Support at 1 (877) 371-4372. Please note that after April 1 2011, Hologic will no longer sell expansion units for the PowerEdge 2900.

We will continue to provide phone support, onsite service support, and materials based on the availability of replacement parts for the expansion units. Every effort will be made to service our current customers with PowerEdge 2900 expansion units through August 31st 2017. The MIMS-PLUS base system is not affected by this product discontinuation notice.

Hologic wants to continue its relationship with you into the future. Please contact your Account Manager to learn about our new archiving solutions, data migration services and pricing

We remain committed to providing our customers with the highest quality products and service and regret any inconvenience that this announcement may cause. For questions regarding service on your MIMS-PLUS product please contact Hologic Customer Support at 1 (877) 371-4372

Hologic offers a wide range of digital mammography solutions, for more information please visit our website, www.Hologic.com.

Sincerely,

Non D. mill

Roger Mills, Sr. Vice President and General Manager, Customer Services
