<sup>1</sup> Replaces 77785 which has been deleted. Multiple treatment sessions on the same day are generally payable as long as there has been a distinct break between therapy services and the individual sessions are of the character usually furnished on different days. Please follow Medicare and commercial guidelines on the use of modifiers

<sup>†</sup> Replaces 77786 which has been deleted. The radiation source is included within the high dose rate CPT codes

### Modifier information<sup>4</sup>

Modifier	Description	Explanation
59	Distinct Procedural Service	Under certain circumstances, it may be necessary to indicate that procedure or service was distinct or independent from other non-E/M services performed on the same day
76	Repeat procedure or service by same physician or other qualified health professional	It may be necessary to indicate that a procedure or service was repeated by the same physician or other qualified health care professional subsequent to the original procedure or service. This circumstance may be reported by adding modifier 76 to the repeated procedure or service. Note: This modifier should not be appended to an E/M service
77	Repeat Procedure by Another Physician or Other Qualified Health Care Professional	It may be necessary to indicate that a basic procedure or other qualified health care professional subsequent to the original procedure or service
XE*	Separate Encounter	A service that is distinct because it occurred during a separate encounter
XP*	Separate Practitioner	A service that is distinct because it was performed by a different practitioner
