

Product End of Sale Notice

For Selenia® Dimensions® System 9000

May 26, 2021

Dear Hologic Customer,

As a valued Hologic customer, you have our commitment to provide you with the highest quality customer service, product support and technologically advanced products. With the introduction of the flagship 3Dimensions™ product line, we have found that there is no longer a significant need for the Selenia® Dimensions® System 9000. We are committed to providing our customers with product obsolescence notifications with sufficient warning time.

Effective July 1, 2021, the Selenia® Dimensions® System Model **9000** will no longer be available for sale globally.

- All open quotes and POs must be submitted by September 24, 2021.
- All closed orders must ship by December 17, 2021.
- This end of sale notification **does not impact** any ability to service current systems. Hologic and its authorized dealers will continue to provide phone support, onsite service support, and materials until July 1, 2031.
- This end of sale notification **does not impact** any potential ability to upgrade your model 9000 system to existing and future technologies (i.e., 3DQuorum™ Imaging Technology)
- This end of sale notification **does not impact** the ability to purchase other Selenia Dimensions System models (i.e., Model 3D Performance, Model 6000, or Model 3Dimensions)

We value our relationship with all Hologic customers. If you are looking to purchase additional gantries, please contact your local Hologic representative for information on any currently available Mammography systems or technologies, including 3Dimensions™, SmartCurve™ Breast Stabilization System, and 3DQuorum™ Imaging Technology.

For all questions concerning this End of Sale Notice, please contact your local Hologic representative or Hologic Customer Sales Support at 1.508.263.2471.

Sincerely,
