

HOLOGIC[®] SURECARE[®] Service Patient Care, Uninterrupted

Best-in-Class

Predictive*

Real-Time

Trusted

Ensuring our customers are able to deliver the best possible patient experience, uninterrupted – because your peace of mind is what matters most.

Driving Reliability

We know that system reliability and performance is important to you and your facility. That is why our plans include remote technical and planned maintenance as base coverage features. It is our goal to ensure your system is operating to factory specifications and your team gets the responsive help they need.

Offering Flexibility

Select a plan that fits your needs depending upon your level of risk and budget. The choice is yours.

- On-site labor
- Parts and transducer coverage
- Technical staff training

Our award-winning SURECARE service offering includes plans to meet your business and clinical priorities.

*Available on select systems

SURECARE[®]
