

Hologic Human Rights Policy

Overview

We are committed to upholding and respecting human rights globally for all people by conducting business with the highest ethical standards and in compliance with applicable global laws, regulations, and Hologic policies.

Hologic helps women around the world live healthier lives. We develop life-changing medical technologies that deliver exceptional results essential to effectively detect, diagnose, and treat health conditions that affect women.

Our commitment extends beyond our products. We are a catalyst for change in the world. We champion women's health globally, working in partnership with others to raise awareness and inspire policy and action to break down barriers that affect women disproportionately and prevent them from receiving the care they need and deserve. At Hologic, we know that improving women's health care have a powerful ripple effect on families, communities and society; it is one of the many reasons that drives us to relentlessly pursue better health for women everywhere.

Guided by purpose, our passion, and our promise, we strive to exemplify the positive societal benefits that private enterprise can drive. We embrace our responsibility to be a leading corporate citizen in the communities in which our employees work and live. Our values of honesty, integrity, respect, trust, citizenship, and responsibility are the foundation of our culture and guide our interactions with customers, business partners, our people, communities, and the planet.

Guiding Principles

- We are committed to treating every person with dignity, respect, and professionalism.
- We are committed to respecting, protecting and championing the human rights of all who engage with our operations, including employees, our supply chain, customers and local communities.
- We respect the right to clean air, clean water, and a sustainable environment.
- We aim to be a positive impact on the communities where we operate.

- As a signatory participant in the United Nations Global Compact, Hologic supports the fundamental principles found in the international standards such as the International Bill of Rights, the United Nations Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, and International Covenant on Economic, Social, and Cultural Rights, the International Labor Organization's Declaration on Fundamental Principles and Rights at Work, and the United Nations Guiding Principles on Business and Human Rights.
- We are committed to applying this policy and expect our business partners to do the same.
