

## PRODUCT END OF SERVICE NOTICE

### For Aegis Software and Aegis Family of Products

July 1, 2023

Dear Customer:

As a valued Hologic customer, you have our commitment to provide the highest quality customer service, product support and technologically advanced products. We pride ourselves in being the leading manufacturer of Women's Health products, a goal that could not be achieved without customers like you.

As technology changes, we work to make sure that we can continue to support our customers to meet service response times and perform support services. In November 2015, Hologic announced the End of Life (EOL) for all Aegis Software and the Aegis family of products, including MultiView MRI visualization software. Up until now, we have provided limited phone support, however, we no longer have the expertise to support these products.

For all questions concerning this End of Life notice, or for assistance to identify your local Hologic Account Manager, please contact Hologic Customer Sales Support at 1-877-992-9892.

Sincerely,

*Lisa Rudnick*

Sr. Director, Global Services Commercial
